1. Who this notice covers

This notice explains how Egan Clearwater Health, LLC ("we", "us") handles mobile information collected for its caregiver recruiting text messages. These messages are sent only to caregiver applicants and job seekers who opt in. This program does not send messages to patients, clients or families.

2. How you opt in

You opt in only by affirmatively agreeing to receive text messages, for example by checking the optional, unchecked text-message box on our caregiver text message sign-up form. Consent is not required to apply and is not a condition of employment. We do not treat providing a phone number, by itself, as consent to receive text messages.

3. What we collect

Your mobile phone number, the record of your opt-in (what you agreed to, how and when), the text messages we exchange with you, and any opt-out (STOP) or help (HELP) requests.

4. How we use it

To send you informational text messages about your own caregiver application, such as application follow-up, interview invitations, interview scheduling and reminders, orientation information and recruiting administrative messages, and to honor your opt-out and help requests.

5. Sharing of mobile information

No mobile information will be shared with third parties/affiliates for marketing/promotional purposes. Information sharing to subcontractors in support services, such as customer service, is permitted. All other use case categories exclude text messaging originator opt-in data and consent; this information will not be shared with any third parties.

6. Opting out and getting help

Reply STOP to any message to stop receiving texts from us. Reply HELP for help, call us at (727) 300-3839, or email mayoung@interimhealthcare.com. Message frequency varies. Message and data rates may apply.
