

Understanding Home Care vs. Skilled Nursing

At Interim HealthCare of Annapolis, we bridge the gap between medical services covered by insurance and the daily support most seniors truly need to **live safely and comfortably at home.**

Skilled Care

Things covered by your insurance:

Nurses
Physical therapy
Specialist care
Wound care

Home Care

Non-medical services provided by Interim:

Activities of Daily Living
Transportation
Light housekeeping
Dressing
Mobility
Companionship
Errands

Ready to Start?

Our team members are here to help you find the home care plan that best meets your specific needs

Give us a call today:

(443) 808-1003

- ✓ Flexible short or long-term plans
- ✓ No penalty for ending service anytime
- ✓ Serving Anne Arundel, Baltimore, Charles, Prince George's, and Queen Anne's counties

Did you know?

Most insurance does not cover non-medical home care, even though **80% of seniors' daily needs** fall into this category.

Home Care Survey

See if you're ready for home care now by selecting the boxes that best describe your needs.

← LEAST URGENT
